Internship Proposal

Dear Aaron Philip,

We are pleased to confirm your selection for the internship program at QuanHack Computing Solutions, commencing on June 14, 2024.

Internship Details:

- **Duration:** 6 months
- **Probationary Period:** The first month will be probationary. This period is designed to assess your fit within our team and your alignment with our goals.
- **On-the-Job Training:** Starting from the second month, you will transition into on-the-job training, where you will take on more responsibilities and actively contribute to our projects.
- **Stipends:** Post-probation, stipends will be determined based on your performance. We aim to reward contributions that go above and beyond the basic expectations.
- **Working Hours:** You are required to spend 8 hours a day, Monday through Friday, with us.

We look forward to your valuable contributions and hope this internship will be a mutually enriching experience.

Please acknowledge receipt of this email and confirm your availability to start on the specified date. If you have any questions or need further clarification, do not hesitate to reach out.

Best regards,

Careers @ QuanHack
